Response:

Hywel Dda University Health Board (UHB) confirms that two (2) GPs are employed by the UHB that have special interests in Dermatology: Dr Ewan Scourfield and Dr Mohammad Reshad Chumroo. Both GPs undertake clinics within the UHB's Dermatology department.

The information relating to GP registration numbers is available on the General Medical Council (GMC) website. The UHB has applied an exemption under Section 21 of the Freedom of Information Act 2000, as the information is accessible by another means.

For ease of reference please click on the attached link, which will take you directly to the GMC webpage:

<https://www.gmc-uk.org/registration-and-licensing/the-medical-register>

The UHB is unable to confirm if any further GPs may have special interests in Dermatology as the UHB does not hold this information.

We would therefore suggest you contact the GP Practices directly who will be able to help you further with your enquiry. Contact details can be found via the following link:
