

Reference:	FOI.7440.21
Subject:	Guidelines for the treatments of eye conditions
Date of Request:	16 November 2021

Requested:

Please could confirm if your organization has any local guidelines for the treatment for the following conditions of the eye. If you have local guidelines available, please could I request a copy.

- Neovascular age related macular degeneration (wet AMD)
- Age-related Macular Degeneration (AMD)
- Diabetic macular oedema (DMO)
- Macular oedema secondary to central retinal vein occlusion (CRVO)
- Macular oedema secondary to branch retinal vein occlusion (BRVO)
- Choroidal neovascularization (CNV) associated with pathological myopia
- Vitreomacular traction (VMT)
- Non-infectious uveitis

If no local guidelines are available, please can you confirm if any national guidelines are used for the treatment for these conditions.

Response:

Hywel Dda University Health Board (UHB) confirms that it does not have local guidelines for treatment of the listed eye conditions.

However, the UHB can confirm that it adheres to the National Institute for Health and Care Excellence (NICE) and The Royal College of Ophthalmologists (RCOphth) guidelines for treatment of the eye conditions listed above. Links to the NICE and RCOphth websites have been provided below:
