

Reference:	FOI.527.19
Subject:	Hospital doctors
Date of Request:	9 April 2019

Requested

1. How many Hospital Consultants are employed by the Health Board? By Hospital Consultants we mean senior doctors that have completed full medical training in a specialised area of medicine and are listed on the GMC's specialist register.
2. How many locum hospital consultants are employed by the Health Board? By locum hospital consultants we mean those employed to cover annual, study or sick leave of consultants in substantive posts, and also to provide cover for temporary vacancies.
3. How many SAS Doctors are employed by the Health Board? By SAS Doctors we mean Staff Grade, Associate Specialist and Specialty Doctors.
4. How many FY1 and FY2 Junior Doctors are employed by the Health Board?
5. Does the Health Board have recognition agreements covering the Hospital Consultants, Junior Doctors and SAS Doctors in 1-4 above?
6. Please provide copies of the recognition agreements covering the Hospital Consultants, Junior Doctors and SAS Doctors in 1-4 above.
7. Does the Health Board have consultative forums with trade unions covering the Hospital Consultants, Junior Doctors and SAS Doctors in 1-4 above?
8. If there are, which trade unions are they with and how often do they meet?
9. Please provide a copy/copies of the constitutions of those consultative forums.
10. Other than recognition agreements and consultative forum constitutions, does the Health Board have any other formal agreements or documents related to the relationship between the Health Board and particular trade unions which are related to the groups specified in question 1-4 above? If there are, please provide copies.
11. Who in the Human Resources Department has responsibility for trade union relations and what are their contact details?

Response:

1. Hywel Dda University Health Board (UHB) employs 250 Consultants (218.73 WTE, Whole Time Equivalent) who are listed on the General Medical Council (GMC) Specialist Register.
2. The UHB currently employs 21 Locum consultants.
3. The UHB currently employs 200 doctors with the job role 'Associate Specialist' or 'Specialty doctor'.

4. The UHB currently employs 132 Foundation Year 1 and 2 doctors.
