

Reference:	FOI.16428.25
Subject:	Human Albumin
Date of Request:	22 January 2025

Requested:

I would like to submit an FOI request for the amount of human albumin in grams purchased by the trust in 2024 (the entire calendar year),

1. broken down by manufacturer (Bio Products Laboratory, Grifols, Biotest, CSL Behring, Octapharma, Takeda),
2. by concentration (4.5%, 5%, 20%) and
3. by service ordering albumin (ICU, Liver unit, etc.)

Response:

1. Hywel Dda University Health Board (UHB) is unable to provide you with the information exactly as requested, as it does not purchase Human Albumin in grammes. However, the UHB provides within the table below, the amount of human albumin in millilitres (ml) that was purchased during the 2024 calendar year, listed by manufacturer.

Manufacturer	Amount
Alburex	600ml
Grifols	600ml

2. The UHB provides within the table below, the amount of human albumin in ml purchased during the 2024 calendar year, listed by concentration.

Concentration %	Amount
4.5%	-
5%	1000ml
20%	200ml

3. The UHB does not hold the information requested, as the information is held on a Health Board wide basis, rather than by individual service.
