Subject:	Implanted cardiac devices
Date of Request:	16 November 2020

Requested:

1. Is the Trust currently using an Electronic Management System for Implanted Cardiac Devices?
 - a. If so, which system are you using?
 - b. If so, what is the contract end date?

Response:

1. Hywel Dda University Health Board (UHB) confirms that it is currently using an Electronic Management System for Implanted Cardiac Devices.
 - a. The UHB confirms that the system used is SOLUS.
 - b. The UHB confirms that the SOLUS system is a purchased system, therefore, there is no contract end date.
