

Reference:	FOI.10089.22
Subject:	Individual agency nurses at Bronglais General Hospital (BGH)
Date of Request:	20 October 2022

Requested:

For the months of June, July, August and September of 2022.

1. How many individual agency nurses worked at Bronglais hospital during this period?
2. What percentage of the agency nurses that worked during this period at the hospital have active Ltd companies - (available publicly via companies house)

Clarification:

My question relates to the percentage of the agency nurses that worked during this period at the hospital who have active Ltd companies. (I believe that this will be a disproportionate number).

Response:

1. Hywel Dda University Health Board (UHB) engaged the services of one hundred and thirty nine (139) agency nurses in the unscheduled care team at BGH between 1 June and 30 September 2022.
2. The UHB does not hold this information, as all agency nurses are engaged via agencies who facilitate payment.
