<b>Subject:</b>	Integrated Care Centres
<b>Date of Request:</b>	10 January 2020

**Requested:**

Of the services which will be 'Health Board's' responsibility to provide at the new Integrated Care Centres, has the HDUHB given any consideration to the prospect of commissioning such services from the private sector.

**Response:**

Hywel Dda University Health Board (UHB) treats each area of practice in an individual way. Should there be a need to consider private provision that would be considered on an individual basis whilst exploring all options available.
