<b>Date of Request:</b>	27 November 2019

**Requested**

In relation to Medical and Dental staff:

During the last 5 years what was the minimum amount of points requested during shortlisting process that resulted in the applicant to be invited for a job interview?

**Response:**

Hywel Dda University Health Board (UHB) is unable to provide the minimum amount of points required for the shortlisting process as each vacancy requires a different set of shortlisting criteria. The UHB's vacancy recruitment system, TRAC, only holds information for those shortlisted for the most recent 400 days.
