Response:

1. & 2. The UHB confirms that three (3) IUI cycles may be funded for a person by individual Health Boards.
3. The UHB is unable to provide you with the number of patients it has funded for IUI during the 2021 to 2025 calendar years, due to the low number of cases (less than 5), as there is a potential risk of identifying individuals if this was disclosed. Therefore, the UHB is withholding these details under Section 40(2) of the Freedom of Information Act 2000 (FoIA).
