

Reference:	FOI.15927.24
Subject:	Inventory management systems
Date of Request:	8 November 2024

Requested:

- Does the Trust / Health Board use a third-party inventory management / point of care solution?
- If yes – please confirm:
 - Which inventory management / point of care solution you use.
 - Contract value (p.a.)
 - Contract renewal date
 - When did the Trust / Health Board first start using this solution?
- If no – does the Trust / Health Board use any internally-built IT inventory management / point of care solutions?
- Please could you indicate which department(s) in the Trust / Health Board use inventory management / point of care solutions, whether third-party or internal?

Note: not all Trusts / Health Boards may have all departments in the list below, please mark Not Applicable for any departments not at your Trust

Department	Use third-party inventory management / point of care solution <i>Yes, No, Not Applicable</i>	Use in-house inventory management / point of care solution <i>Yes, No, Not Applicable</i>
Accident and emergency (A&E)		
Diagnostic imaging / radiology
