

Reference:	FOI.019
Subject:	Items reported as stolen
Date of Request:	16 January 2019

Requested

- Please state how many items were reported stolen from Prince Philip Hospital, Llanelli, in 2018, with a breakdown by months, and please specify the items that were reported stolen.
- Please state how many items were reported stolen from Glangwili Hospital, Carmarthen in 2018, with a breakdown by months, and please specify the items that were reported stolen.
- Please provide information on the procedure taken by the health board when items are reported stolen.

Response:

The table below provides details of incidents of reported stolen goods form both Prince Philip Hospital (PPH) and Glangwili General Hospital (GGH).

Hospital	Department/Ward	Date	Details
PPH	Critical Care Unit	April 2018	Theft of Diazepam
	Management Offices	July 2018	Theft of work bag, later found in men's toilet
GGH	Ear Nose and Throat Ward	March 2018	Theft of patient's mobile phone and 2 bank cards
	Obstetrics Ward	June 2018	Theft of collection of money for staff member
	Site Management Office	November 2018	Theft of food including butter, coffee, hot chocolate

In accordance with Hywel Dda University Health Board (UHB) policy, any reported incident is recorded within Datix Management System (the incident reporting system utilised by the UHB), which will instigate an internal investigation. In the majority of cases, the incident will also be reported to the police for criminal investigation.
