

Reference:	FOI.15167.24
Subject:	Local Enhanced Services (LES) for wound care
Date of Request:	2 September 2024

Requested:

1. Do you have a Local Enhanced Services (LES) or Directed Enhanced Service (DES) in place for Primary Care related to wound care?

If yes:
2. When was the LES/DES last reviewed/updated?
3. When is the LES/DES due to be reviewed/updated?
4. Does the LES/DES include postoperative wound management? Y/N
5. Does the LES/DES include traumatic wounds e.g. trauma and skin tears? Y/N
6. Does the LES/DES include complex wound care? Y/N
7. If no, who manages complex wound care for non-housebound patients?
8. Does the LES/DES include pressure ulcer prevention or pressure ulcer wound care? Y/N
9. Do you have any primary care led wound clinics?

Response:

1. Hywel Dda University Health Board (UHB) confirms that it has a Treatment Room LES relating to wound care.
2. The UHB confirms its Treatment Room LES was updated in March 2021.
3. The UHB confirms that all LES are subject to a programme of review and will be considered within the next twelve (12) months.
4. Yes, the Treatment Room LES does include post-operative wound management.
5. Yes, the Treatment Room LES does include traumatic wounds.
6. No, the Treatment Room LES does not include complex wound care.
7. The UHB confirms that the Community Nursing Teams manage complex wound care for non-housebound patients.
8. No, the Treatment Room LES does not include pressure ulcer prevention or pressure ulcer wound care.
9. The UHB confirms that it does not have any Primary Care wound clinics.
