

Reference:	FOI.4927.21
Subject:	Local Heart Failure or Cardiovascular Risk Reduction Guidelines
Date of Request:	6 January 2021

Requested:

I am unable to locate any local heart failure or cardiovascular risk reduction guidelines on your formulary website: <http://hywelddahb.inform.wales.nhs.uk/>

Please can you advise if there are any such local guidelines that you follow and, if so, where they can be located.

Response:

Hywel Dda University Health Board (UHB) confirms that it does not have any locally developed Heart Failure or Cardiovascular Risk Reduction Guidelines. However, the clinicians are aware of and adhere to the relevant national and international guidelines, including, The National Institute for Health and Care Excellence (NICE) and the European Society of Cardiology (ESC).
