Response:

Hywel Dda University Health Board (UHB) provides the information requested in relation to locked rehabilitation placements during the requested time period within attachment 1.

Where the figures in the tables provided have been replaced with an asterisk (*), the UHB is unable to provide you with the exact number of patients due to the low numbers of cases (less than 5), as there is a potential risk of identifying individuals if this was disclosed. The UHB has also replaced remaining figures which could be used to calculate the redacted figure. The UHB is therefore withholding this detail under Section 40(2) of the FoIA. This information is protected by the Data Protection Act 2018 (DPA)/UK General Data Protection Regulations, as its disclosure would constitute unfair and unlawful processing and would be contrary to the principles and articles of the

UK GDPR. This exemption is absolute and therefore there is no requirement to apply the public interest test.

In reaching this decision, the DPA and UK GDPR define personal data as data that relates to a living individual who can be identified solely from that data or from that data and other information, which is in the possession of the data controller.
