

Reference:	FOI.14037.24
Subject:	Magnetic Resonance Imaging (MRI) machines
Date of Request:	17 March 2024

Requested:

Could I request the current MRI asset counts (number of MRI machines) from NHS Wales for all NHS health boards within Wales.

If you only hold the information for your board, please could you provide me this and kindly direct me towards whom I could contact to obtain the information from the remaining boards.

Response:

Hywel Dda University Health Board (UHB) does not hold information for all Health Boards in NHS Wales and is therefore unable to provide you with all of the information requested. The UHB can only provide the information it holds.

Therefore, you would need to request the additional information from the Freedom of Information Teams in each individual Health Board. Details on the Health Boards in Wales and contact details for each of them can be found via the following link:

[Local Services - NHS Wales](#)

However, the UHB can confirm that it has four (4) MRI scanners.
