

Reference:	FOI.20571.26
Subject:	Management of Monogenic Diabetes in pregnancy
Date of Request:	2 June 2026

Requested:

We would be grateful if you could arrange for the attached questionnaire to be completed by the appropriate clinical service(s), such as Diabetes, Endocrinology, Obstetrics, Maternal Medicine, or Clinical Genetics teams, as applicable within your organisation.

The information requested relates to service organisation, referral pathways, multidisciplinary working and genetic testing pathways for women with known or suspected monogenic diabetes during pregnancy.

Response:

Hywel Dda University Health Board (UHB) provides the information within the attached questionnaire as requested, at Attachment 1.
