|-------------------------|---------------------------|
| Reference: | FOI.9483.22 |
| Subject: | Master Vendor information |
| Date of Request: | 27 July 2022 |

Requested:

Can you please provide information for the below:

1. What is current master vendor fill rate for Medical Locums?
2. What is current DE % throughput for Medical Locums?
3. What is current Agency Spend for Medical Locums?
4. What is current contract end dates for your Master Vendor contract and Direct Engagement contract“?
5. What is main contact for these contracts?

Clarification:

Last 12 months if that would be possible?

Response:

1. Hywel Dda University Health Board (UHB) confirms that the Master Vendor fill rate for Medical Locums was 68.1% in June 2022.
2. The UHB confirms that the Direct Engagement (DE) percentage throughput for Medical Locums was 95% in June 2022.
3. The UHB confirms that the agency spend on Medical Locums was £6.77 million, during the period 1 July 2021 to 30 June 2022.
4. The UHB confirms that the contract end date for its Master Vendor and Direct Engagement contracts is 7 August 2024.
5. The contracts are managed by the Procurement Department in NHS Wales Shared Services Partnership (NWSSP).
