

Reference:	FOI.18701.25
Subject:	Medicines
Date of Request:	28 October 2025

Requested:

I would like to request information from latest 12 months data you have access to for the number of patients who have been initiated in primary and secondary care (represented as separate numbers) on the following medicines:

- Ezetimibe
- Nustendi
- Nilembo
- Praluent
- Repatha
- Leqvio

Response:

Hywel Dda University Health Board (UHB) does not hold all the information requested for Primary Care. However, the UHB provides within the table overleaf, the number of patients in Secondary Care initiated on the listed medications and the quantity of dose units issued, by pack size, during the period 1 November 2024 to 31 October 2025.

Additionally, the UHB provides the quantity of dose units issued by pack size in Primary Care, during the period 1 September 2024 to 31 August 2025.

Please note:- the data provided is for the most recent time periods available.
