Subject:	Mental Health service users
Date of Request:	25 September 2024

Requested:

Is it possible to ascertain the number of people accessing (in any form) mental health services from Hywel Dda University Health Board 2020- 2024. I would suspect a rise, but I'm unable to find any data in the public domain.

Response:

Within Attachment 1, Hywel Dda University Health Board (UHB) provides the number of referrals, admissions and calls into its Adult and Older Adult Mental Health Services, broken down into service area between 1 April 2019 and 31 August 2024. Please note the number of calls into NHS 111 option 2 is only recorded from June 2022, as this is when the service was introduced.
