

Reference:	FOI.026
Subject:	Micro cannula tumescent liposuction
Date of Request:	20 January 2019

Requested

Can you please tell me how many lipoedema surgeons there are in Wales that are qualified to carry out micro cannula tumescent liposuction on lipoedema patients?

Response:

Hywel Dda University Health Board (UHB) is unable to provide information on behalf of All Wales Health Boards. The UHB can confirm that it does not offer micro cannula tumescent liposuction as part of its services, nor are there any surgeons who are trained in this procedure working within the UHB.

NHS Wales is made up of seven Health Boards. Listed below are the names and web links to each of the Health Board's websites, from which you can obtain information on how to submit a Freedom of Information request. The UHB recommends you resubmit your request to each of the other six NHS Wales Health Boards individually.

Abertawe Bro Morgannwg University Health Board
