Hywel Dda University Health Board (UHB) is unable to provide you with some of the requested information as there is a potential risk of identifying individuals if this was disclosed. The UHB is therefore withholding the following details under Section 40(2) of the FoIA:

- The figures in the tables for questions 2 and 3 have been replaced with an asterisk (*) due to the low number of cases (less than 5)
- All the information requested for question 4 due to the low number of cases (less than 5)

It is not within the expectation of these individuals that their personal data would be released into the public domain. This information is classed as personal data of a third party. Therefore, it is being withheld in accordance with the exemption set out in section 40(2) of the FoIA, by virtue of section 40(3)(a) of the FoIA, which permits a public authority to withhold personal data other than the requestor's where the disclosure would breach Data Protection principles.
