

Reference:	FOI.2118.19
Subject:	NHS Continuing Healthcare
Date of Request:	9 December 2019

Requested:

When carrying out an assessment of eligibility for NHS Continuing Healthcare, a relevant body must ensure that a multi-disciplinary team undertakes an assessment of needs, or has undertaken an assessment of needs, that is an accurate reflection of that person's needs at the date of the assessment of eligibility for NHS Continuing Healthcare.

Please provide a copy of the form/s, used for the assessment of needs as described above, or point to where it can be found, giving a page reference and URL if necessary.

Please note, I am asking for a copy of a document. I do not require information or reference to the National Framework for NHS Continuing Healthcare, the DST, explanations, or anything else as this will not answer my request.

Response:

The UHB has recently answered a similar Freedom of Information request, which is due to be published on our disclosure log.

This information is therefore exempt under Section 22 of the Freedom of Information Act 2000, which states that information is exempt if it is intended that the information held by the public authority will be published at a future date.
