

Reference:	FOI.3820.20
Subject:	The number of GPs and patients by GP practice
Date of Request:	18 August 2020

Requested:

1. The number of GPs (excluding other health workers e.g. nurses) working at each GP surgery in the Hywel Dda University Health Board area, including GP Surgery post code.
2. The number of patients registered at each GP Surgery in the above area, including GP surgery post code.

If you could provide the latest available information in Excel form that would be great.

Response:

Hywel Dda University Health Board (UHB) does not hold information for independent GP practices, we therefore suggest you contact the surgeries directly for this information.

Contact details for each of the UHB's GP Practices can be found via the following link:

The UHB provides GP information for its managed practices and patient numbers at each surgery within the UHB area, within the attached Excel spreadsheet, as requested, Attachment 1.
