Hywel Dda University Health Board (UHB) provides a copy of the data, detailing the number of people that have received a first, second, third and booster dose of the COVID-19 vaccination and the Priority Group percentage uptake, as recorded on the UHB's Welsh Immunisation System (WIS), as at 9 February 2022, at Attachment 1.

Additionally, weekly updates on the Vaccination uptake for the UHB's geographical area is available on our website and can be accessed via the following link:
