

Reference:	FOI.5022.21
Subject:	Nuss and Ravitch procedures
Date of Request:	15 January 2021

Requested:

Please provide the following under FOI:

1. Volumes of operations carried out since 2000, by year, in relation to the Nuss and Ravitch procedure.
2. Volumes of operations in relation to the Nuss and Ravitch procedure, that remain outstanding.
3. Number of adults (older than 18) having a Nuss or Ravitch operation where symptoms of breathlessness were the symptom.
4. Number of operations where pectus was considered mild.

Response:

Hywel Dda University Health Board (UHB) confirms that it has no patients diagnosed with pectus issues and treated with a Nuss or Ravitch procedure recorded on the UHB's Welsh Patient Administration system (WPAS), for the calendar year 2020.
