**Requested:**

Could you please provide me with information on the number of staff who were accessing both Mental Health support (including counselling) and Occupational Health support in June 2018, June 2019 and June 2020. Can these be broken down separately by type of support where possible.

**Response:**

Hywel Dda University Health Board (UHB) provides, within the table overleaf, the number of staff that accessed Mental Health (MH) and Occupational Health (OH) support during the requested time periods.

Please note, the UHB is only able to provide partial information for June 2019 as the OH team underwent a system upgrade and as such, only information held on the upgraded system is currently accessible.
