I would like to know how many of your hospital beds (and what percentage this is of your total) were occupied by people presenting with eating disorders that were below the age of 18. I would like this information for the years 2023, 2022 and 2021.

Hywel Dda University Health Board (UHB) provides, within the table below, the number and percentage of beds occupied by children and young people under eighteen years of age, that presented with eating disorders, during the 2021 to 2023 calendar years.

Calendar year	Number of beds	Percentage
2021	57	0.09%
2022	50	0.07%
