**Requested:**

I am looking to obtain details on nurse led clinics delivered within Ophthalmology services in Health Boards in Wales.

Specifically, I am interested in the below:

1. Which Health Boards in Wales deliver nurse led clinics in Ophthalmology?
2. Of those, which deliver nurse led casualty clinics?
3. What other sub specialties within Ophthalmology do they deliver nurse led clinics in? i.e. AMD/ Glaucoma etc.

**Response:**

Hywel Dda University Health Board (UHB) is unable to comment on other Health Boards in Wales. It can confirm that it offers no nurse led ophthalmology clinics within its services.
