Subject:	Organisation charts for estates and facilities departments
Date of Request:	22 October 2019

Requested

I would like to request an organisation structure chart for all Directors, Managers, and employees within the Estates, Facilities, Maintenance, Property and Capital Projects departments.

Response:

Hywel Dda University Health Board (UHB) has provided copies of its organisational charts for all teams reporting to the Assistant Director Estates, Facilities and Capital Management, which includes the UHB's estate and facilities functions as Attachment 1.
