

Reference:	FOI.2006.19
Subject:	Cost of implementing the parking enforcement system
Date of Request:	22 November 2019

Requested:

How much did it cost the health board to implement and suspend the new parking enforcement system, which was implemented in August 2019 and temporarily suspended in November 2019?

Response:

Hywel Dda University Health Board (UHB) has recently answered a similar Freedom of Information request, FOI/042/19, which is due to be published on our disclosure log.

This information is therefore exempt under Section 22 of the Freedom of Information Act 2000, which states that information is exempt if it is intended that the information held by the public authority will be published at a future date.

The UHB's disclosure log can be accessed via the following link:

<http://www.wales.nhs.uk/sitesplus/862/page/95420>

The UHB confirms it has incurred no costs as a direct result of its decision to suspend the issue of parking charge notices in some situations. It is also considered worthy of mention that some traffic enforcement remains in place.
