| Subject: | Payments for COVID-19 administered vaccinations |
| Date of Request: | 17 June 2022 |

Requested:

Under the Freedom of Information Act, can you please let me know whether Hywel Dda Health Board receives a payment for each Covid 19 vaccination administered and if so, whether the payment is the same for each brand of the vaccine and whether the vaccination is a primary dose or a booster. If it is different, please supply the different payment amounts.

Response:

Hywel Dda University Health Board (UHB) confirms that it does not receive payments for the administration of COVID-19 vaccines. All costs associated with the COVID-19 vaccination programme are either covered or reimbursed by Welsh Government (WG) and are therefore cost neutral to the UHB.
