

<b>Reference:</b>	FOI.9307.22
<b>Subject:</b>	Person responsible for Medical Devices
<b>Date of Request:</b>	5 July 2022

**Requested:**

Please could you answer the following question under the freedom of information act.

1. The name of the person within your Health Board that is responsible for Medical Devices e.g. Medical Device Manager.
2. The email address of the person that holds this responsibility.
3. The name of the person within your Health Board that holds the job title EMBE Manager
4. The email address of the Trusts EBME Manager

**Response:**

1. & 2. Hywel Dda University Health Board (UHB) confirms that the person responsible for Medical Devices is Professor Chris Hopkins, Head of Clinical Engineering and he can be contacted by email on: [Chris.L.Hopkins@wales.nhs.uk](mailto:Chris.L.Hopkins@wales.nhs.uk)

Additionally, Mr William Oliver, Assistant Director of Therapies and Health Science is the Chair of the Medical Device Group and can be contacted by email on: [William.Oliver2@wales.nhs.uk](mailto:William.Oliver2@wales.nhs.uk)

3. & 4. The UHB does not have an Electronic and Biomedical Engineering (EBME) Department; this goes under the guise of Clinical Engineering at the UHB. As Head of Clinical Engineering, Professor Chris Hopkins has overall responsibility for medical devices and can be contacted by the email address provided above.
