Please note that Clinical Commissioning Groups (CCGs) are a feature of the NHS in England.

As part of NHS Wales, Hywel Dda University Health Board (UHB) is an integrated Local Health Board that is responsible for the planning and provision of primary, community and in hospital services based on the needs of the local community across the three (3) counties of Carmarthenshire, Ceredigion and Pembrokeshire.

The UHB provides, within the table below, the rebate product, company name, start and end dates (where applicable), as requested.
