Reference:	FOI.10695.22
Subject:	Pharmacy coding system
Date of Request:	16 December 2022

Requested:

Further to FOI.10313:

Is there a coding system used for the drugs - both in the old system and the new system?

You have kindly provided ITEM DESCRIPTION (for the old system) and drugfull and drug_packsize (new system), but it would be really useful to have codes against these.

Response:

Hywel Dda University Health Board (UHB) has provided the information requested within the attached spreadsheet at Attachment 1.
