Subject:	Pharmacy strategy
Date of Request:	18 January 2024

Requested:

Please can I request, in line with the Freedom of Information Act, the following:

Your organisations current "Pharmacy strategy" document - This may also be titled Medicines Management Strategy, Pharmacy, Prescribing and medicines strategy or similar and should identify your organisations strategic plans to develop and evolve your hospital pharmacy to ensure safe and effective use of medicines. In England this may be incorporated within an ICS wide strategy or in Scotland/Wales it may be incorporated into a wider Health Board strategy, and, if so, please can you identify that this is the case and either share this document or (in England) identify which organisation "owns" it to allow a request to be made to that organisation.

Response:

Hywel Dda University Health Board (UHB) provides a copy of its Pharmacy and Medicines Optimisation Strategic Framework 2023-2028, at Attachment 1.
