Subject:	Primary Care Networks
Date of Request:	12 April 2021

Requested:

Please can you provide a current list of the Primary Care Networks and the PCN Core Partner details (linked surgeries) for Wales. Please provide address details for both the PCN and the surgeries.

Response:

Primary Care Networks are a feature of the NHS in England. As Hywel Dda University Health Board (UHB) is part of NHS Wales, it is an integrated Local Health Board responsible for the planning and provision of primary, community and in hospital services, based on the needs of the local community across three (3) counties. Therefore, the UHB does not hold the information requested.
