| Subject: | Primary Care rebate schemes |
| Date of Request: | 21 September 2021 |

Requested:

I would like to enquire about primary rebate schemes you have signed in the last 12 months. Could you please supply the following information with regards to primary rebate schemes:

What product names (brand and generic if possible)?

What were the start and finish dates (or ongoing if applicable)?

Which rebates are aligned to PrescQIPP and which ones are independent?

Response:

Primary Care rebate schemes are managed centrally by the All Wales Medicines Procurement Specialist Pharmacist, a Primary Care Service provided by NHS Wales Shared Services Partnership (NWSSP).

Additionally, the UHB does not hold any information for rebate schemes that apply to PrescQIPP. We would therefore recommend that if you require further information to that provided below, you redirect your request to the Freedom of Information Team in NWSSP, who may be able to help you further with your enquiry:-

shared.services@wales.nhs.uk or alternatively, you can contact: Tim Knifton, Information Governance Manager, 4-5 Charnwood Court, Heol Billingsley, Parc Nantgarw, Cardiff, CF15 7QZ.

However, whilst operating in accordance with the Section 45 Freedom of Information Code of Practice, the UHB has a duty to provide advice and assistance and therefore provides the information it holds relating to the UHB's rebate schemes below.

The UHB provides, within the table below, the current rebate product, company name, start and end dates.
