

Reference:	FOI.19683.26
Subject:	Questionnaires relating to services in Withybush General Hospital (WGH)
Date of Request:	23 February 2026

Requested:

I am writing to formally request access to all recent questionnaires received concerning services in Pembrokeshire, Carmarthenshire, and Cardiganshire. This request is made pursuant to my rights under the Freedom of Information Act 2000, and I seek full disclosure of the relevant information.

Clarified:

I am writing to formally request copies of all recent questionnaires you have received concerning the recent reduction in services at Withybush Hospital.

Response:

Hywel Dda University Health Board (UHB) does not hold the requested information as the Clinical Service Plan (CSP) questionnaire was hosted by Opinion Research Services (ORS). All the questionnaires, both online and paper forms, were received directly by ORS, and were managed independently by them. All responses to the questionnaire were themed and reported by ORS in the final CSP Consultation Report.

An exemption under Section 21 of the Freedom of Information Act 2000 (FoIA) has been applied as the report is already in the public domain and is accessible by another means. The CSP Consultation Report was presented at the Board meeting held on 18 and 19 February 2026 and is available on the UHB's website. For ease, links to the Board meeting webpage and the report have been provided overleaf.
