

Reference:	FOI.10872.23
Subject:	Referral to Treatment (RTT) pathways
Date of Request:	2 February 2023

Requested:

I would like the following data for between December 2018 to January 2023, broken down by calendar month.

Please tell me:

- 1) How many RTT pathways ended?
- 2) How many times was a patient admitted as an emergency and treated for the condition their RTT pathway related to during their emergency stay, therefore ending the RTT pathway?
- 3) How many times did an RTT pathway end due to a patient's death?

Response:

Hywel Dda University Health Board (UHB) has provided the requested information within the attached spreadsheet, at Attachment 1.
