

<b>Reference:</b>	FOI.9300.22
<b>Subject:</b>	Regulation of doctors and chemists
<b>Date of Request:</b>	1 July 2022

**Requested:**

Can you please send me a copy of the rules and regulations for doctors and chemists for how they are supposed to treat their patients and customers in black and white?

Please send to 95 Trostrey, Hollybush, Cwmbran, Gwent, South Wales, NP44 7JE

**Response:**

Both Pharmacists and Doctors are required to be registered with their respective councils, the General Pharmaceutical Council (GPC) and the General Medical Council (GMC). The councils have respective standards of practice, which can be accessed via their websites at the hyperlinks below.

GMC - [Ethical guidance for doctors - GMC \(gmc-uk.org\)](https://www.gmc-uk.org)

GPC - [Standards for pharmacy professionals | General Pharmaceutical Council \(pharmacyregulation.org\)](https://www.pharmacyregulation.org)

However, as per your request for the information in black and white please find enclosed the following documents:

Attachment 1 - Good medical practice

Attachment 2 – Standards for pharmacy professionals
