Subject:	Replacing patient trolleys
Date of Request:	13 July 2022

Requested:

Will Hywel Dda Health Board be considering the replacement of any patient trolleys in the current financial year (2022-2023), and if yes, for which hospitals and departments please? To clarify, I am referring to ED/resus/trauma trolleys, endoscopy trolleys, theatre/recovery trolleys, patient transfer trolleys, and short stay ward trolleys.

Response:

Hywel Dda University Health Board (UHB) does not have a specific trolley replacement programme in place for the 2022/23 financial year. Instead, trollies are currently purchased on an as-needed basis or replaced at end of life.
