<b>Subject:</b>	Secure estate sites
<b>Date of Request:</b>	10 November 2021

**Requested:**

1. Can you confirm a list of secure estate sites that Hywel Dda University Health Board hold healthcare commissioning responsibility for?
2. Can you list the current healthcare providers at each site including prime and sub-contracted healthcare?
3. Can you detail when each secure site healthcare contract ends?
4. When shall procurement commence for each new healthcare contract?

**Response:**

Hywel Dda University Health Board (UHB) confirms that it does not directly commission any secure healthcare sites. However, the UHB confirms that it has its own internal Mental Health inpatient secure services.

On occasion, secure services may be required to be commissioned for private sector placements, which are on an individual needs basis via the All Wales Commissioning Framework.

Additionally, the Welsh Health Specialised Services Committee (WHSSC) is responsible for commissioning Specialised and Tertiary Services, including secure services on behalf of Local Health Boards in Wales.
