Subject:	Shared care plans
Date of Request:	31 January 2022

Requested:

I am looking to find out the number of people within the trust that have a shared care plan between a private doctor and the NHS. I am not looking for anything identifiable just a number on how many there is.

Response:

Hywel Dda University Health Board (UHB) confirms that there are no shared care plans between a private doctor and the NHS, recorded on the Referral Management Centre System.
