

Reference:	FOI.10604.23
Subject:	Staffing levels
Date of Request:	2 January 2023

Requested:

- How many DATIX reports were recorded in 2022 that expressed safety concerns regarding staffing levels?
- How many DATIX reports were recorded in 2021 that expressed safety concerns regarding staffing levels?
- How many DATIX reports were recorded in 2020 that expressed safety concerns regarding staffing levels?
- How many DATIX reports were recorded in 2019 that expressed safety concerns regarding staffing levels?
- How many DATIX reports were recorded in 2018 that expressed safety concerns regarding staffing levels?

Response:

Hywel Dda University Health Board (UHB) provides, within the table below, the number of reports recorded on the UHB's DATIX incident reporting systems that expressed safety concerns regarding staffing levels, including those recorded as lack of appropriate supervision of staff and lack of suitably trained staff, during the calendar years 2018 to 2022.

Year	Number of incidents	Severity / Post investigation				
		Harm – none	Harm - low	Harm - moderate	Harm - severe	Harm – catastrophic
2018	251	235	14	2	0	0
2019	400	352	30	18	0	0
2020	185	170	9	6	0	0
2021	253	87	104	43	4	0
2022	275	56	100	28	0	0
