| Subject: | Status of Dyfed Drug and Alcohol Service (DDAS) |
| Date of Request: | 10 October 2024 |

Requested:

I would like to confirm the status of DDAS acting for your board. Are they a clinical consultation group, do they provide a service on your behalf?

Response:

Hywel Dda University Health Board (UHB) confirms that the Area Planning Board for drug and alcohol misuse commissions the organisation, Barod, to deliver Tier 2 drug and alcohol interventions, including a Single Point of Contact; DDAS is the service name. The UHB is currently out to tender for service provision.
