Response:

Hywel Dda University Health Board (UHB) is unable to provide you with all of the information requested, as it is estimated that the cost of answering your request would exceed the “appropriate limit” as stated in the Freedom of Information Act 2000 and the Data Protection (Appropriate Limit and Fees) Regulations 2004. The “appropriate limit” represents the estimated cost of one person spending 18 hours (or 2½ working days) in determining whether the UHB holds the information, and locating, retrieving and extracting the information.

In order to provide you with the data requested for questions 1, 3, and 4, the UHB would need to undertake a manual trawl of all patient records and liaise with the Primary Care Team, to identify any information that may fulfil these parts of your request, as this is not recorded centrally.

The UHB is therefore applying an exemption under Section 12 of the Freedom of Information Act 2000 (FoIA), which provides an exemption from a public authority’s obligation to comply with a request for information where the cost of compliance is estimated to exceed the appropriate limit.

However, under section 16 of the FoIA, the UHB has a duty to provide advice and assistance. Therefore, the UHB provides the accessible information it holds for questions 2 and 5 below.

2. The UHB provides, within the table below, the number of patients treated with the listed medications, for any disease, during the period 1 September 2023 to 29 February 2024.

Medication	Number
Ruxolitinib	14
Fedratinib	0
Momelotinib	0

5. The UHB confirms that it is not currently participating in any clinical trials for the treatment of Myelofibrosis.
