

Reference:	FOI.19322.26
Subject:	Undergraduate psychiatry training funding
Date of Request:	15 January 2026

Requested:

Follow up to FOI.18895.25

Just in reference to the first question, I would like to clarify that we want to know the number of medical students on a psychiatric placement of any kind, and if possible, to have a breakdown of the lengths of the psychiatric placements and medical schools of origin.

Response:

Hywel Dda University Health Board (UHB) confirms that all seventy-six (76) placements provided in response FOI.18895.25, were for medical students on a psychiatric placement during the 2024/25 financial year. A breakdown by placement duration and medical school has been provided within the table below:

Placement duration	Cardiff University	Swansea University
3 week	0	6
4 week	38	0
5 week	0	32
