

Reference:	FOI.1781.19
Subject:	Voting rights
Date of Request:	25 October 2019

Requested:

1. I would like to know if your trust has a voting rights for service users policy? (If such a policy exists could you please send me a copy)
2. I would like to know if any inpatients were supported to vote in the 2017 general election (and if so how many?)

Response:

1. Hywel Dda University Health Board (UHB) does not have a policy relating to service users voting rights. Where possible patients are encouraged to use postal votes.
2. The Health Board does not hold the information requested.
