<b>Subject:</b>	Wound care formulary group
<b>Date of Request:</b>	8 August 2023

**Requested:**

I am looking for details of who sits on the decision making board for the wound care formulary or framework.

**Response:**

Hywel Dda University Health Board (UHB) confirms that its Tissue Viability Service works in collaboration with its Medicine Management Team and the Procurement Department in NHS Wales Shared Services (NWSSP) in regard to the Wound Care formulary, in accordance with All Wales guidance.

Sue Beach, Lead Clinical Development Pharmacist, is the UHB's lead contact for Formulary and Medicines Management and Helen Dawkins, Senior Tissue Viability Nurse, is the Chair of the Wound Care Group.
