Subject:	Wound dressing formulary
Date of Request:	17 February 2022

Requested:

Please may I ask for details of your CCG's wound dressing formulary, details of dressings listed and prices if available. Contact details of the person/persons involved in this formulary is also requested.

Response:

Clinical Commissioning Groups (CCGs) are a feature of the NHS in England. As Hywel Dda University Health Board (UHB) is part of NHS Wales, it is an integrated Local Health Board responsible for the planning and provision of primary, community and in hospital services, based on the needs of the local community across three (3) counties.

However, the UHB provides a copy of its Wound Dressing Formulary, at Attachment 1.

Please note:- The formulary is based on the All Wales Dressing Formulary and is applicable to Primary & Secondary Care; adherence is monitored and the formulary enforced.

Sue Beach, Lead Clinical Development Pharmacist is the UHB's lead contact for Formulary and Medicines Management; and can be contacted by email on: sue.beach@wales.nhs.uk
